*POLICY REGARDING
EULOGIES or WORDS of REMEMBRANCE*

Based on Diocesan recommendations, the parish of St. Elizabeth has adopted the following norms with regard to eulogies or words of remembrance.

1. Eulogies *are not* part of the normal content of the Funeral Mass.
2. Rather, *family words of remembrance are* offered at the funeral home during the viewing.
3. They can also be offered before or after the wake service.
4. Some families also choose to speak at the gravesite.
5. An excellent time is also during the meal that may take place after the burial.
6. There are no restrictions on the content or style about your words of remembrance.
