Students: The Gospels are from the New Testament. Please write about a Gospel you heard at Sunday/Saturday evening Mass. Pay attention to the priest's homily.

Please feel free to use the bulletin, *Understanding the Sunday Readings* as a guide, but write the summary and answer the questions in your own words. If you have a question email me (mcalabrese@stelizabeth.org).

Please return your Gospel Reflection to your catechist. Due dates are marked on the calendar. If you are a home school student, please bring them to your assessment at the end of the year. *Mrs. Calabrese*
