Summer Kick Off Youth Gathering ~ June 4th 6:30 PM ~ SLC Lawn

Good Shepherd Hospice and the Bob Sweeney Foundation partner each year to host a bereavement camp that transforms the lives of children who have experienced the death of a parent, sibling, or grandparent. The free camp includes age-based support groups that break the isolation grief often brings and provide families with healthy coping mechanisms.

Where is Camp HOPE?

Camp HOPE is held at Camp Alvernia, Centerport NY.

Are Volunteers Needed?

Each year Camp HOPE continues to grow, and with it the need for volunteers increases. In 2017 we are looking to recruit about 100 Volunteers for the weekend.

Do I have to have had a personal loss to be a volunteer?

No, although many volunteers have experienced a loss, all you need is a heart for a grieving child. Those who have experienced an acute loss asked to wait one year to volunteer at Camp.

Volunteers must be at least 14 years of age.

Volunteers are required to attend one 2- hour training.

The camp is held Friday 7/14 from 5 – 8 PM (set up), Saturday 7/15 from 7:45 AM – 4:30 PM, and Sunday 7/16 from 8:30 – 1:30 PM.

If you are interested in more information or would like an application to volunteer at the camp, please contact Liz - ASAP. Volunteer applications are due no later than 6/9.
